

I DON'T KNOW WHY YOU LOVE ME

(Lyrics & Music by Barry Hope)

Verse One:

I never thought I could win the heart
Of someone as beautiful as you
I expected a superstar
To be the one you'd choose
Among the hundreds of guys
Searching for your love
I believed that I
Wasn't good enough
That's what makes it so amazing

Chorus:

I don't know why you love me
What did I ever do
I don't know why you give me
Precious moments with you
I don't know why you want me
But you insist it's true
I don't know why you love me
I just know that you do

Verse Two:

I don't know how I ended up with you
It's a glorious mystery
You're every man's dream come true
Yet you want to share your life with me
As I look in your eyes
They sparkle with love
I know not what I
Have done to deserve
Sweet love from such a sensation

Chorus:

I don't know why you love me
What did I ever do
I don't know why you give me
Precious moments with you
I don't know why you want me
But you insist it's true
I don't know why you love me
I just know that you do

Bridge:

I know you're the best thing that's happened to me
I know that nothing can even come close
I know I've never felt so good
But there's still one thing I don't know

Refrain:

I don't know why you love me
I don't know why you love me
I don't know why you love me
I just know that you do
I just know that you do
Oh yeah
